(b) Whether the Supreme Court has made certain observations in this case and suggested setting right of anomalies by amending local laws;

(c) What action has so far been taken in the matter by Government; and

(d) If no action has been taken so far, what are the reasons thereof?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI RAJESH PILOT): (a) to (d) The West Pakistani refugees have not been granted the permanent residency certificate of the State of J & K as envisaged in section 6 of the Constitution of J & K. They are, however, treated as citizens of India.

These refugees in J & K have been representing to the State Government and also to the Central Government from time to time demanding that those who migrated from West Pakista. on the eve of Partition and allowed to reside in Jammu & Kashmir should be declared as permanent residents of the State under the Jammu and Kashmir Constitution.

Under the existing provisions, they do not enjoy certain rights, which are otherwise available to the permanent residents of J & K. In the eyes of prevailing laws, they have not sustained any legal injury.

The Supreme Court had suggested that to set right the anomalous position, it is upto the legislature of the State of J & K to take action to amend relevant State laws. The Judgement of the Supreme Court had been brought to the notice of the State Government. It is felt that any further consideration in the matter would need to be left to the State legislature as and when constituted.
